WALK OF HOPE

IMAGINE A UNITED WORLD LIVING IN PEACE

21 September - 1 October 2018

On 21 September 2016, up to 1,500 students will walk in The Hague for a United World living in Peace! Several interactions will take place from 21 September to 2 October 2018. Walk of Hope brings the Youth together, spreading the message of non-violence, solidarity, and peace. "What unites us is more fundamental than what separates us". It is inspired by the Walk of Hope India which was initiated and led by Sri M, social reformer, peace activist, and educator. The Walk of Hope arrived in The Hague in March 2017 with up to 1,000 students walking for the oneness of humanity.

Walk of Hope was endorsed by the United Nations as a unique peace initiative.
